

CARB Diesel Truck Rules - Compliance Options and Reporting Requirements for 2016 & 2017 (Course #521.7)

Do you own, operate, or dispatch heavy-duty diesel trucks in or to California? This course gives you the information you need about how to comply with CARB diesel regulations with an emphasis on what you need to do to be compliant now & for 2017. There are important deadlines on January 1, 2017 and January 31, 2017. Particular attention, for the AG audience will be paid to ARB's reporting system audit that may have resulted in an owner/operator losing their AG extension status. One-on-One help will be available after the class presentation.
